## Ques. 3

### Letter to the superintendent of Police

Basant Bihar

Dehradun

Date = March 6<sup>th</sup>, 2020

To

The Superintendent of Police

Dehradun

Sir,

Subject = Complaining about frequent cases of theft and chain snatching.

I want to inform you through this letter that theft and chain snatching cases are increasing in our locality day by day. Our area has become much prone to these type of activities. Few days ago, a chain was snatched from the neck of a woman in daylight. We complained to police but no necessary action has been taken to solve this

problem.

Theft and criminal activities are taking place in night.

A week ago, almost three houses of our locality has

registered the cases of theft in their house at night.

Thieves and burglars have no fear in performing these tasks as the police officers are not concerning over the problem.

I, therefore request you to solve our problem as we are feeling insecure and <sup>strictly</sup> order your officers to do patrolling in day and night and provide security to people of our locality.

Thanking you,  
Yours sincerely  
Ankita

Ques. 4

(a) Paragraph - Air Pollution

Pollution is a serious problem nowadays. It is of many types. One of them is 'Air Pollution'.

Air pollution means 'polluting air'. Air pollution is caused by the factors such as over-population, industrialization and burning of fossil fuels like firewood, coal, petrol and diesel. Burning of fuels releases harmful gases like sulphur dioxide, Nitrogen dioxide into the atmosphere that lead to acid rain. Thus destroying our buildings and monuments and affecting the life on the earth.

Air pollution also cause diseases like Asthma, Bronchitis and breathing problems.

We should use vehicles in limited numbers to control it. Burn the fossil fuels in efficient way and treat the gases from factories before releasing into atmosphere.

### Ques. 5

#### Paragraph — 'A Picnic'

Last Sunday, we all decided to go to 'Fun Valley' in Dehradun for picnic which was a pleasurable trip outdoors. The place was very

beautiful. It had many rides and things with which we enjoyed very much. We, all friends, were very excited for that picnic as we were going there first time together. It had many water pools, parks and enjoyable places. We made plan on Saturday at 10 A.M in morning for Sunday picnic. We prepared our lunch boxes, packed our bags, put on necessary things for picnic. The spot was 5 km away from our house area. We went there by bus. It was a pleasant journey as we saw the varied nature outside. We reached there at 10:30 A.M. The surrounding was full of joy. We felt harmony in our hearts. We enjoyed a lot there. We played many games and some water sports. It was a very different experience for all of us. Then by 12 A.M, we ate lunch and shared it among us. After lunch, we took a bus at 1 A.M and came back home. It was a very memorable and pleasant day of my life that I can never forget in my life.
