CLASS XI & XII GUIDELINES FOR PROJECT WORK

Objectives of project work:

- To enable learners to probe deeper, initiate action and reflect on knowledge and skills acquired during the course of class XI and XII
- To analyze and evaluate real world scenarios using social constructivism, a theory based on observation and scientific study
- To become independent and empowered to choose their topic and gather data from a variety of source, investigate varied viewpoints acquired during the course XI-XII and arrive at logical deductions.
- To enquire into, and reflect on, issues independently /in collaboration with others and identify the limitations
- To develop 21st century skills of communication, cooperation, coordination, critical thinking, creativity and collaboration to produce an extended and independent work.

Role of the teacher:

A teacher should:

- help each learner select the topic based on recently published extracts from the news media, government policies, RBI bulletin, NITI Aayog reports, IMF/World Bank reports

etc., after detailed discussions and deliberations of the topic.

- play the role of a facilitator to support and monitor the project work of the learner through periodic discussions.
- guide the research work in terms of sources for the relevant data
- ensure that students understand the relevance and usage of primary evidence and other sources in their projects ensure that students are able to derive a conclusion from the content; cite the limitations faced during the research and give appropriate references used in doing the research work
- educate learner about plagiarism and the importance of quoting the source of the information to ensure authenticity of research work

Project overview:

- The Project work will be implemented for 20 Marks.
- The evaluation for 20 marks project work should be done by the internal examiner.
- The project can be individual/pair/group of 4-5 each. The Project can be made on any of the topics given in the syllabus of a particular class or any contemporary issues.
- The project work can be culminated in the form of films, albums, songs, storytelling, debate, Role Play, Skit, Presentation, Model, Field Survey, Mock Drills/Mock Event etc.
- The teacher should give enough time for preparation of the Project Work. The topics for Project Work taken up by the student must be discussed by the teacher in classroom.
- Students can use primary sources available in city archives, Primary sources can also include newspaper cuttings, photographs, film footage and recorded written/speeches. Secondary sources may also be used after proper authentication.

At the end of the stipulated term, each learner will present the research work in the Project File to the External and Internal examiner.

- The questions should be asked from the Research Work/ Project File of the learner.
- The Internal Examiner should ensure that the study submitted by the learner is his/her original work.
- In case of any doubt, authenticity should be checked and verified.
